

I ROKWIRE

An open-source platform for mobile apps.

HOW IT WORKS

Rokwire enables communities to integrate their digital resources and deliver them when and where they are most useful. Mobile apps built on Rokwire are customized for specific communities and purposes.

Rokwire System

EXAMPLE APPS

- Illinois campus app (2019). Currently v4.1.
- Safer Illinois app for COVID Response (2020).
- Safer Illinois derivatives adopted by other universities, public school systems, and communities (2021). Nebraska, Wisconsin, Vanderbilt, American University, Gallaudet, Catholic University, Smithsonian, others

ROKWIRE AND THE ILLINOIS APP ARE COPYRIGHT © 2022 UNIVERSITY OF ILLINOIS BOARD OF TRUSTEES.

ROKWIRE IS LICENSED UNDER THE APACHE 2.0 LICENSE.
